SKILLS

- **Languages:** C, C++, Java, Python, JavaScript
- **Frameworks:** HTML and CSS, Bootstrap, NodeJS, React
- **Tools/Platforms:** MySQL, NeoColab, Vs code
- **Soft Skills:** Problem-Solving Skills, Project Management, Time-Management, Leadership

INTERNSHIP

- **TechTvik IT Solution** October 2023 – June 2024
Front-End Development Internship
During my internship, I focused on front-end development, working with HTML, CSS and JavaScript to build style responsive and user-friendly interfaces. This experience strengthened my skills in creating interactive and visually appealing web pages enhancing both my technical proficiency and understanding of web development workflows.

PROJECTS

- **Plastic Recycling Platform** November 2024
Developed a platform to promote plastic recycling by connecting users with recycling centers. The system includes user registration, waste tracking, and an educational resource section.
Tech: HTML, CSS, Javascript, Bootstrap, MySQL, Java
- **Car Rental Management System** October 2024 – November 2024
Designed and developed a system for managing car rentals, including booking, payment processing and vehicle tracking. The platform features an intuitive dashboard for both customers and administrators.
Tech: Built using MySQL
- **Portfolio Website** August 2024 - September 2024
Created a personal portfolio website to showcase projects, skills and achievements. Designed a responsive UI and optimized performance for better user experience.
Tech: HTML, CSS, JavaScript, React

CERTIFICATES

- SQL: A practical introduction for querying databases **IBM certified.** October 2024
